

MEMBERSHIP CATEGORIES

ESCO Member

- US \$6,000 Annually (Companies with gross revenues of less than \$15 million)
- US \$9,000 Annually (Companies with gross revenues of between \$15-25 million)
- US \$13,500 Annually (Companies with gross revenues of more than \$25 million)

Energy service companies (ESCOs) directly providing performance-based retail energy services including energy efficiency. ESCO members are eligible for Board membership and may apply for NAESCO accreditation.

Energy Service Affiliate Member

- US \$6,000 Annually

All energy service providers including utilities (utility-affiliated energy service companies acting as ESCOs in the marketplace must join as ESCO members); equipment manufacturers, distributors, and suppliers; engineering and design companies; financial institutions; companies engaged primarily in power marketing, brokering, commodity risk management, and facility management; consultants; and trade association representatives.

Associate Energy Service Affiliate Member

- US \$3,000 Annually

Limited to energy service providers as defined above with annual gross revenues of less than \$1 million.

International Member

- US \$2,000 Annually

Companies or individuals domiciled outside the U.S. involved in selling energy services outside the U.S. Companies based in the U.S. which pursue international business opportunities are not eligible to join in this category.

Public Sector Member

- US \$250 Annually

Federal, state, or local government or regulatory entity or non-profit entity (with a budget of less than \$100,000) involved with promoting, regulating, or purchasing energy services. Chartered entities like municipal utilities and federal power marketing agencies are not eligible to join in this category.
