

NAESCO SE Regional Meeting
September 22, 2020
Virtual Meeting – Southeastern States

Introduction:

This meeting is to strategize an approach for each state being considered. It is recognized that some states have more/less activity than others. The people/companies listed below are not expected to be presenters, but discussion leaders. This meeting is for employees of member companies only, except where NAESCO has specifically invited a key ally for our industry.

Agenda (all times Eastern Time Zone):
